#### COVID-19 NOTES

Please refer to our **COVID-19 Statement** on our website. Acceptance of a run will mean that you have read and accepted this statement.

Whilst the health and safety of everyone attending our Field Trials is of paramount importance and we will do everything possible to ensure the adherence to social distancing and health and safety guidelines at our Field Trials, each individual who chooses to attend a Field Trial has primary responsibility for his or her own health and wellbeing and must consider for themselves any risk factors relating to age or health or health of close contacts before entering the event.

By accepting a run, competitors are confirming that neither they nor anyone in their household have COVID-19 related symptoms, have tested positive for COVID-19, are awaiting a COVID-19 test result (all within 14 days of the trial) or reside in an area under local lockdown at the time of the trial and that they will withdraw should any of the above become apparent prior to the trial date.
